above provision in the Mysore Service Regulations, officers who go on inspection duty are now unable to draw any allowance.

Under these circumstances, I request that You will be so good as to ask the Comptroller of Mysore to insert the above provision in the Mysore Service Regulations by means of an addenda to that officers proceeding on inspection duty may be enabled to draw the allowance previously granted to them.

Letter No 855/Mily.21 dated 18th May 1869 from the Chief Commissioner to the Military Assistant to the Chief Commissioner.

Sir,

In reply to your letter No 155/55 of the 14th instant, I am directed to state, that the Chief Commissioner approves of the orders which you propose to issue, for the periodical inspection of outposts by Commandants and Subadars of the Barr establishment, and sanctions the disbursement of travelling allowance to these Officers on such occassions.

2. As regards visits ~~to Off~~ to Taluk Officers by Division Superintendents, it is observed that every Dist. Officer visits all his Taluk Kasbas every year on his Jemabundee tour , but the Chief Commissioner apprehends that at these times the Officials and other employees in the Taluk are always on the alert, and that it is only on the occassion of chance visits , which cannot often be accomplished that any irregularity is brought to notice.

Letter No 153/33 dated 14th May 1869 from the Military Assistant to the Officiating Secretary to the Chief Commissioner

---

Sir,

I have the honor to acknowledge receipt of your docket No 581/17 dated 30-4-1869 forwarding a copy of a letter from the Deputy Superintendent Shimoga District to the address of the Superintendent Nagar Division bringing to notice gross neglect of duty on the part of the Guard over Treasury at Kolardroog.

In reply, I have the honor to state that I had previously received intimation of the visit of the Deputy Supdt. to the above mentioned Try.

There appears to be no excuse to offer for the conduct of the men, and I have therefore dismissed them all.

It is difficult to know what remedy to devise for preventin men at isolated outposts from becoming lazy and neglectful, but as a slight check I propose to order each Commandant of Barr, and each Subadar of a Company to visit, the former, every outpost to which men are detached from under his command, and the latter every Guard composed of men of his Company, once every 6 months, such periodical visits being paid separately by these Officers.

As this would entail extra expense on the Officers, I propose that they will be allowed Batta for Travelling Allowance during their absence, sufficient to cover the hire of a pony or cart to convey them to the several outposts.

On this subject, I beg the orders of the Chief Commissioner

Further than this , I would beg the Chief Commissioner to request District Officers to follow the example of the Deputy Supdt. Shimoga District in paying occassional visits to the Guards about t

I have the honor &c.
